WORLD OF BEARS

Let's venture into a world of bear and try to figure out how each of the bear species looks like. You will stand a chance to explore the different sizes, diets, skulls and habitat range for these carnivorous mammals while having fun with our activities. This package is inclusive of a visit to the Giant Panda Conservation Centre.

Who should join?

Pre School, Primary & Secondary School

What is included?

Zoo & Giant Panda Conservation Centre entrance fee, tram, guide & door gift

How long is the duration?

9.00am – 11.00am (2 hours)

KANCIL RANGER

Kancil Ranger is a guided walking tour by our guide for 1-hour where you will be brought to tour half of the zoo. The most exciting thing is that we have 5 sessions for you to choose!!

If you have limited budget yet you still would like to have a guide to be with you, then Kancil Ranger package is for you!

You may continue to stay back in the zoo and explore the other part of the place after this 1-hour guided tour.

Who should join?
All ages

What is included?
Guide

How long is the duration?

ZOO EXPLORER

Zoo Explorer provides a worksheet for students, designed to encourage reading and teamwork among teachers and students. It is a self-guided tour activity where participants get the chance to enjoy the zoo at their own pace. Students will learn how to read the map and enjoy fun facts of zoo animals while finding answers for the worksheet. Entrance fee and tram rides are paid separately.

 Who should join?
*Preschool, Primary
& Secondary School
(4-12 years)*

 What is included?
Door gift

 How long is the duration?
1 hour

PASSPORT TO WILDLIFE ADVENTURE

SEKOLAH MELAYSI
2011

(SENIOR CHALLENGE)

Passport to Wildlife Adventure is a workbook for young and senior participants, designed to encourage team work, observation and communication. It is a self-guided tour activity with fun and outdoor learning. Participants will have the chance to tour around the zoo by answering questions with physical and mental challenge to get the answer correctly. Entrance fee and tram rides are paid separately.

Who should join?

Secondary School & adults
(above 13 years)

What is included?

Door gift

How long is the duration?

2 hours

ANIMAZING WORLD

Come and join this programme to understand the Animal Kingdom through animal classification: mammals, birds, reptiles, amphibians and fish at the Children's World. Meet these interesting animals to see their physical characteristic and observe their behaviour to adapt their life in the wild. This programme is about describing the unique features of the animals, their behaviour, diet, habitat, while taking photograph with these animals.

Who should join?

Pre School, Primary &
Secondary School

What is included?

Entrance fee, guide
& door gift

How long is the duration?

9.00am – 10.30am
(1 and a half hour)

* Available for Special Needs Group

Feathers & Fins

These feathery and scaly friends in the zoo will truly enchant you when you look at their beautiful feathers and shining soft fins while listening to their sweet songs and movement. Try to understand and observe the species of birds and fishes. Be amazed by their ability to fly in the air and swim underwater. By joining this programme, you will learn the different groups of birds and fish, their physical appearances, behaviour, habitat, distribution, diet and the reason why they are threatened.

Who should join?

Pre School, Primary &
Secondary School

What is included?

Entrance fee, guide
& door gift

How long is the duration?

9.00am – 10.30am
(1 and a half hour)

** Available for Special Needs Group*

INCREDIBLE INSECT

Discover the wonderful world of butterflies, with fun and interactive activities. Your group will stand a chance to feed the most colourful insects and observe their unique life cycle at the garden with spectacular landscape. Book now and you will discover the excitement.

Who should join?

What is included?

Entrance fee, guide & door gift

How long is the duration?

9.00am - 10.30am (1 and a half hour)

** Available for Special Needs Group*

WILDLIFE ENRICHMENT

What is an enrichment? Enrichment is any modification or addition to an animals' environment that makes it more stimulating and challenging, both mentally and physically. This exercise allows captive animals to behave more naturally, leading to a more healthy, comfort and active life! Let's design our model and devices to stimulate natural behaviour! Join this package to get to know about animals.

Who should join?

Pre School, Primary & Secondary School
